Calendar | Shop | Account | Settings

# 2. View Upcoming Activities

- The **Calendar** tab lets you view the sessions you are registered for.
- View the name, location, date, and time of a session. Tap an activity for address and activity details.
- Dates are visible on the calendar when an activity is scheduled. Scroll down to view from today's date up to a year in the future.
- If multiple account members are registered in different activities on the same day, each activity will appear under that date.
- If multiple account members are registered to the same activity on the same day, a record of that activity will appear for each member.

## Shop

**Stores you've visited**

Society for Learning in Retirement

SLR

# 3. Shop

- The **Shop** tab lets you register for courses.
- Go into the SLR Store and search for your desired sessions.
- Click 'register for this session'.

# 3. Check your settings

The **Settings** tab provides the following:

- *Wallet:* Manage your saved credit cards from your personal Amilia account. Selecting this option requires you to sign into your account through a web browser.
- *User Agreement*: Amilia's terms and conditions for your personal Amilia account.
- *Privacy Policy*: Information on how we collect and safeguard personal information.
- *Language*: Toggle the language display in the mobile app from English to French.
- *Log out of the app.* If you log out you will need to input your email and password the next time you sign into the mobile app.

# 4. Cancel an activity

SLR allows cancellations as per our policy: Refund will be issued with minimum 48 hours advanced notice of start of course

- To cancel a course click on the session in your calendar.
- In activity details, click 'cancel this event'.
- In Cancellation Details, click the red 'Terminate Enrollment' button.

Terminate enrollment

- You will get an email confirmation.
